

ORILLIA CURLING CLUB NEWSLETTER DECEMBER 2021

Hi everyone,

As we come into the festive season I am conflicted with emotions. I am excited of course for holidays coming up, the time off that I hope you will all have to share with family and friends.

On the other hand, I find myself nervously watching Covid numbers that, as predicted, are once again on the rise as well as waiting for updates on the pump delivery and installation at BPRC. There has been nothing new from the City.

We had, by all accounts a very fun and successful second Euchre and Pizza night which is great! I expect our Social Committee will once again come up with another event and they will let you know what that is and when.

From all of us on the Board, we hope you have a well-deserved break coming this month and can spend it with your loved ones.

Be safe and we will connect soon.

Thanks

Don

SANTA'S NICE LIST!

Cathy Gould, Charlene Ley, Don Kinzinger, Liz Ross and Sandy Furzecott were busy little elves writing out refund cheques for all the curling club members.

Although refunds are being issued, we are still hoping that the pump will arrive in time to have a winter session.

Approximately two thirds of the members were able to pick up their cheques either on the Fuchre night held on Dec 2nd or on Dec 4th at the Curling Club. Thank you to Sandy Furzecott, Nancy Bowers and Charlene Ley for being on hand at the club.

There are still 90 envelopes that will be sent in the mail.

I hope that the Orillia Curling Club is on Santa's "Nice List"

OCC EUCHRE

Members and guests enjoyed another pizza and progressive euchre night at the club on December 2. An even bigger event than last time with 56 players! Big winners for the night were Trish Vollick, Mary Ann Johnston, Ken Schamehorn and Cam Devine. "Card Shark" awards went to Mary Jo and Ralph Mahler who both took home a cash prize and a deck of old maid cards since euchre may not be their game. There were also 3 \$75 50/50 prizes.... just in time for Christmas shopping!

TIDYING UP A BIT

The grippers and sliders have gotten a new home. Up until now they were kept in milk crates that took up space and was challenging to keep organized.

OUTSIDE THE CLUB - PHOTOS

We want to see what you are up to this holiday season and New Years.

If your holiday light touring or opening presents on christmas morning, or anything, take a picture and send it in.

All photos will be shown in the next curling club newsletter.
